

Students who wish to contract a course for Honors credit should complete this form and the required short answer question/s, have it signed by the faculty member, and submit it to the Honors Program coordinator for approval by the end of the add/drop period.

Student Name	Student Banner ID#
Student Email	Student Phone
Instructor Name	Semester and Year
Instructor 's Office and Extension	Instructor Email
Course Number & Title (example: PSY 4270: Cross-Cultural Psychology)	

- This course is in my major area.
- This course is in my minor area.
- This course is not in my major or minor area (additional information required).

Specifically describe the Honors work to be completed, including deadlines, specific topics, and page lengths of work.

Please explain your reasons for contracting this particular course and how this course contributes to your overall course of study.

I have read and understand the requirements for the Honors contract. I understand that if I decide not to fulfill these requirements that I must notify the Honors Program of my intent to void the contract by the drop with a W deadline for the semester. After that time, I must either appeal to the Honors coordinator or uphold the contract. If I do not void the contract and fail to fulfill the contract requirements, I will receive an incomplete grade for the course which will remain until I complete the requirements.

		For Honors Program Use Only
